

Manage all your mailing needs with our new desktop mailing system

The DP50 Series digital mailing system with built-in scale is ideal for the small business or home office that sends upwards of 5 letters or parcels per day. It will give you exact postage every time as well as convenience, efficiency and savings.

- Savings - using a franking machine you qualify for Royal Mail postage discounts. Plus the 2.5kg integrated scale will automatically calculate the exact postage, saving up to 20% on your postage costs.
- Convenience - refill postage in one easy step with **POSTAGE BY PHONE** no more trips to the Post Office to buy stamps.
- Efficiency - update postage rates automatically and download advertising slogans with PB's unique **IntelliLink®** system.

The DP50 Series also allows you to advertise your company on every letter, instantly bringing a professional image to your business. You can download custom made graphics using **IntelliLink®**.

Product benefits

- Integrated scale calculates the correct postage - never guess or overpay again
- Avoid time consuming trips to the post office - frank mail from your office, 24 hours a day
- Access all Royal Mail UK and overseas postage rates at the touch of a button
- Project a professional image for your business, five pre-loaded advertising slogans included
- Postage funds remain secure, protected by PIN code
- Prints postage for all envelope and package sizes
